Dental

BOH Prosthodontics

BOH will fulfill the oral health needs of its patients based on:

- A sound diagnosis;
- Patient-focused solutions; delivered with
- Personal care and empathy

BOH does this by offering:

- Evidence based interventions using state-of-the-art equipment and techniques; with
- Prompt, high quality technical services from an in-house laboratory; and having
- A demonstrated commitment to best-practice, and continuing education.
